About Us

Credenza Design Studio - a growing interior designing firm, providing quality design services in Kolkata.

We specialize in full-service interior design, including custom furniture, lighting and art procurement/installation.

Our project resumé includes both new home construction and renovations of residential interiors of all sizes, small to large. With a passion for harmonizing form and function, our team seamlessly combines furniture, decor, lighting, and architectural elements to create captivating spaces that leave a lasting impression.

Elevating your Space !

Why choose us

Creative Design

Design is not limited with the arrangement of furniture or lighting elements. We make sure with our creative thought that, every detail of internal space should have the right shape and color and be placed correctly.

Save Money

With the right approach and tools we provide best designs under your budget, keeping in mind your tastes and lifestyle. So you will get a aesthetically pleasing place, which will not feel heavy on your pocket.

Best Quality

Quality is our utmost priority for every products and materials used and installed by us. We provide you up to 10 Years Warranty on the works done by us.

Real comfort visual and physical is vital to every room
- Mark Hampton

We at Credenza Design Studio, make sure that each and every project designed & implemented by us is both visually and physically warm, comforting & inviting.
